

THE COTTONERA CANNABIS SEED BOUTIQUES POLICY

DATED JANUARY 1, 2022

On or around December 18th 2021 George Vella, President of Malta, signed an act establishing the Authority of the Responsible use of Cannabis. This law allows, amongst other things, adults individuals 18 years of age and older to cultivate four Cannabis plants in the address shown on their Maltese ID card, and to have up to 50 grams of dried cannabis in the address on their ID card, and to carry up to 7 grams of dried cannabis on your person on public property. This act does not consider cannabis seeds “Cannabis”, therefore cannabis seeds can be sold and traded freely. You can download the act at; <http://www.cottoneracannabisseedboutiques.com/actno1xv1of2021.pdf> , we suggest you read it in its entirety prior to engaging in any cannabis related acts or actions in Malta.

We have also created an easy-to-read guide of the Maltese cannabis laws that include essential information for cannabis consumers as well as law enforcement, please read this guide by clicking the following link; www.cottoneracannabisseedboutiques.com/cannabislawguidemalta.pdf

The Cottonera Cannabis Seed Boutiques scientific purpose is (1) Cannabis Cultivation and what affects if any do Optics, Nutrients, Growing methods, Temperature, Moisture Conditions, Air Quality, Sounds, Vibrations, Soils and or Hydroponic mediums, Soil Additives and Flavors may have on the quality, quantity, appearance, aroma and taste of Cannabis; (2) Cannabis seed breeding, in particular how male to female and female to female pollination occur and what traits are passed on to the seeds;

The Cottonera Cannabis Seed Boutiques breeders, also referred to as seed sellers, are individuals collectively acting in their own individual capacity and interest. These seed sellers have expressed an interest in joining us in our scientific endeavor in cultivating the best cannabis strain seeds. These seed sellers reside in Malta and have a Maltese ID card and the place of the cannabis seed cultivation is the same as the address on their ID card. These individuals are independent from one another and pay taxes as individuals.

The Three Cities is a collective description of the three fortified cities of Vittoriosa, Senglea and Cospicua in Malta. The oldest of the Three Cities is Vittoriosa, which has existed since prior to the Middle Ages. The other two cities, Senglea and Cospicua, were both founded by the Order of Saint John in the 16th and 17th centuries. The Three Cities are enclosed by the Cottonera Lines, along with several other fortifications. The term Cottonera is synonymous with the Three Cities, hence the Cottonera Cannabis seed Boutiques.

The purpose and intent of the seed sellers is to cultivate the legal amount of cannabis plants, currently four, and harvest and sell the seeds, and all other legal parts of the cannabis

plant, and to be involved and cooperate with us, or others, in the scientific development of Cannabis and Cannabis seeds.

The purpose and intent of the seed buyer is to buy cannabis seeds, and other legal components of the cannabis plant and offer them for consideration and sale to its customers, and to continuously improve the quality and the understanding of Cannabis and to document and share our findings with the scientific community.

Cannabis breeding practices include any and all scientific techniques created to improve or alter the cannabis plants genetic trait or growth

All seed sellers are at least 18 years of age or older and have expressed an interest in cultivating cannabis for the purpose of making money and or participate in the science of breeding Cannabis and Cannabis seeds. Seed sellers cultivate and harvest all legal components of the cannabis plant in particular cannabis seeds and breeding.

Cannabis seed sales is a legal activity subject to VAT and declaration of income taxes in Malta. Seed buyer and seed seller agree and understand that a VAT receipt invoice must be issued for each and every transaction to every customer in accordance to Maltese law.
